Report on Support to SMEs in Developing Countries Through Financial Intermediaries

ven, 06/07/2012 - 11:51 | isylla

This report outlines the need to provide capital to Small and Medium Enterprises (SMEs) in developing countries. It shows the impact of this capital on economic development, and the role for International Finance Institutions (IFIs) in the provision of this capital. Finally, it outlines recommendations for additional interventions and further research.
