Comoros WTO Accession

30 Mar 2014 - 23:00 | acpsec-admin

Project ID: 097-13

Area: Comoros

The Ministry of Economy of the Union of the Comoros requested the Programme's support to assist in its longstanding WTO Accession. That country's request to accede to the WTO was submitted in 2007 but no formal meeting of the Working Party has since been held. In order to launch that meeting, Comoros is required to respond to a series of questions tabled by the WTO Sect. Accession Division. The PMU-funded project would assist in rendering assistance in the following areas, viz.: (a) legal and technical assistance during the questions and answers phase; (b) preparation of the first meeting of the Working Group; and (c) analysis of the reforms needed to adapt the trade regime to WTO requirements while respecting the objectives of national development.
