3 Nov 2015 - 00:43 |  isylla

Erasmus+ is the European Union's programme for education, training, youth and sport. Each year the programme selects new projects under a call for proposals. The 2016 Call for Proposals was launched on 20 October 2015, with deadlines in 2016. Higher education institutions and individuals from ACP countries are able to take part in the four components of the programme described in this brochure.
