

FEATURED VIDEO: ACP Conference on Renewable Energy

FEATURED VIDEO: ACP Conference on Renewable Energy

Over one hundred people representing forty countries gathered in Brussels in mid-November in preparation for the UNFCCC COP17 conference. Attending the first day sessions on renewable energy were experts, researchers, beneficiaries, NGO representatives, private investors already present in the ACP countries and prospecting financiers. Discussions focused on scaling up renewable energy investments in the ACP region. *Produced by [BizClim](#) [1].*
