## Mauritius - Global Plan on services

30 Mar 2014 - 23:00 |  acpsec-admin

**Project ID:** 077-13

**Area:** Mauritius

*The overall objective* of the project is to develop a Master Plan for the services sector whose implementation eventually resulting in the transformation of Mauritius into a full services-based economy.

Five eligible consultancy firms expressed an interest in tendering for the project aimed at preparing a master plan to further develop the Mauritian services. The Tender Evaluation Committee met on November 25 with the Mauritian Ambassador to the EU in attendance as an observer. The committee evaluated the four bids that were submitted and unanimously recommended that Mauritius-based Enabling Environment be awarded the contract.
